Aggregates And Skid Resistance Of Bituminous Pavements: 7 Reports

National Research Council U.S.

6. Performing Organization Code: 7. Authors: This report presents the research effort to evaluate the aggregate retention and skid performance of various asphalt. Skid Resistance of Asphalt Surface Treatments.

Table 2-5 Friction level classifications for runway pavement surfaces. Aggregates and skid resistance of bituminous pavements 7 reports.

4. Aggregates and skid resistance of bituminous pavements 7 reports.

5. Skid resistance, high friction surfacing, calcined bauxite, HAPAS. Accident Reduction Program.

7. Authors: Mahone, D. C. and Sherwood, W. C.

9. Key Words: Aggregate, asphalt, pavement, skid resistance.

This report identifies and characterizes Virginia's nonpolishing aggregates in terms of their wet
