Crimes Against Nature: How George W. Bush and His Corporate Pals Are Plundering the Country and Hijacking Our Democracy

Harper Collins

In this powerful indictment of George W. Bush's White House, environmental attorney Robert F. Kennedy, Jr., charges that the administration has taken corporate favoritism to unprecedented heights -- threatening our health, our national security, and our democracy. Crimes against nature: how George W. Bush and his corporate pals are plundering the country and hijacking our democracy.
