Japan Football League - Wikipedia, the free encyclopedia

A professional football league started during the 1999 season when the second division of Japan's football league system received a new name: J League. The league is operated by the Japan Football Association (JFA), which is responsible for staging all professional football in Japan. J1 and J2 are the highest and second-highest divisions, respectively. The J League is operated by the Japan Football Association (JFA), which is responsible for staging professional football in Japan.

American Football in Japan - Tofugu

Moffett does a fine job of explaining the why and what of Japanese soccer's history, from its origins in the late 19th century to its modern-day success. He discusses the role of American influence in shaping Japanese football, and how the Japanese have adapted to it.
