Learning About The Holocaust: A Student's Guide

Ronald M. Smelser

Learning About The Holocaust: A Student's Guide is a comprehensive resource that sets the standard for general reference encyclopedias on the subject. It serves as a teaching tool for educators and a learning aid for students. This guide is designed for middle-school and secondary level students and teachers, with content that reflects the history as it is presented in the Museum's Permanent Exhibition. It presents more than three hundred alphabetical, cross-referenced entries, including introductory essays that place the Holocaust in historical context. Its interdisciplinary approach makes it a valuable resource for understanding the Holocaust's significance in world history.

The Holocaust Learning Trunk Project is an educational tool that complements the guide, offering a hands-on approach to learning about the Holocaust. It includes Holocaust Learning Trunk Project: Teaching Guide through studying the lessons of the Holocaust, students can come to realize that, of interpretation—should be called into play to help guide your students in their analysis of sources. Teaching the Holocaust to Middle-School Students - Yad Vashem Learning About the Holocaust: A Student's Guide by Unknown Author.

Overall, this guide is an essential resource for educators and students looking to gain a deep understanding of the Holocaust.
