Arizona, also known as the Grand Canyon State, is located in the American Southwest. Stretching 277 miles across the high plateaus and plunging up to 6,000 feet, Arizona offers unlimited opportunities for backcountry exploration. The trails through Arizona's Cactus Country provide hiking opportunities and guide features hikes in Saguaro National Park, Organ Pipe National Monument, and Parashant National Monument. The Arizona State Parks offer an array of outdoor enthusiasts:

- Arch Rock in Organ Pipe Cactus National Monument, Arizona
- Organ Pipe Cactus National Monument
- Parashant National Monument
