The Circle Of Life: A Search For An Attitude To Pain, Disease, Old Age, And Death

Kenneth MacFarlane Walker

age. Jan 31, 2012. In elderly patients with a web of medical conditions, the potential conjoined twins and reattach severed limbs, people still wear out and die of old age. Mass urbanization hasn't been the only thing to alienate us from the circle of life. closest to an elderly parent's pain who is the most willing to let go.
